

# BEST 4 Diabetes Education Programme

---

Best 4 Diabetes is a fully funded bespoke modular education programme for primary care staff within Berkshire West, each module is a stand-alone session so can be used to refresh knowledge or to learn something new.

The programme itself can be completed entirely or can be dipped in and out of.

All modules are taught in an interactive style by the multi-disciplinary diabetes team.

**Places are strictly limited and must be pre booked, to book a place please e-mail**

[Diabetes.Training.West@berkshire.nhs.uk](mailto:Diabetes.Training.West@berkshire.nhs.uk) with your details and details of which module you would like to attend.

Below you will find the brief details of each module along with the date, time and venue.

**Please note it is not possible to just turn up to any of the Best 4 Diabetes modules as these are not large scale events.**

Best 4 Diabetes is fully commissioned therefore there is no cost to attendees.

This is an exciting new programme for further information or queries please contact [Claire.rowell@berkshire.nhs.uk](mailto:Claire.rowell@berkshire.nhs.uk)
